AN "OPEN LETTER" TO THE B'NAI B'RITH

If you are a business man or political leader of any consequence, you are quite likely to be summoned to make a speech before the local chapter of B'nai B'rith. The Jews want to hear you beat your gums. They want to make sure that you know who is really running this country today. If you are summoned, you will go. You don't want to be branded as an 'Anti-Semite, do you? At the breakfast table you will be snappish with your wife. You will say, "I have to go down to the Grand Hotel and make a speech to the blankety-blank Kikes today." At the appointed hour, you will appear before the cream of local Jewry and tell them how you discriminate against the American Majority and in favor of minorities. You will end up with a rousing endorsement for the Republic of Israel and a stinging denunciation of the Arabs. The next morning, there will be an item in the morning paper: "Mr. Joe Blow, President of the XYZ Corporation, addressed the local chapter of B'nai B'rith yesterday in the Convention Room at the Grand Hotel. Mr. Blow stated that XYZ Corporation has made great progress in creating employment opportunities for the hard-core unemployed, especially members of racial minorities. Mr. Blow also praised the Israeli Army and the bravery of the Jewish people, and said that the United States should guarantee the independence of the Republic of Israel."

You read this with inward groaning and travail of soul. The Jews have made you do something which you didn't want to do, made you say things you didn't want to say.

So who do you think you are, anyway? Do you think you are any better than Richard M. Nixon? Nixon addressed B'nai B'rith in Washington. He said that the United States should make sure that Israel is stronger than the Arab States. You and Nixon are both in the same boat. You have licked the Jewish boots because the Jews have the power. Oh, you pitiable wretch, you miserable fool! You gutless wonder! Why are you not able to be master of your own house? Why do you struggle so feebly in the grip of minorities? Why don't you have the sense to ally yourself with the American Majority and win back control of your own Country?

We will tell you why. The Jews have hooked you with their "Right-Left" gimmick. They have pandered expertly to your lowest and most utterly selfish instincts. Instead of being a real Conservative, concerned about the quality of American life and the unity of the Nation, you are merely "Right Wing." The Right Wing is only half a thing, of which the Left is the other half. As long as you are merely "Right Wing" instead of being a real Conservative, the Jews have you in a bag. When they tell you to come and make a nice speech to B'nai B'rith, you will go, and you will lick the Jewish boots, just as Richard M.

DIRECTORS OF ADL'S TREASONOUS ACTIVITIES

BENJAMIN EPSTEIN, Director of the Anti-Defamation League of B'nai B'rith, and ARNOLD FORSTER (Fastenberg) former counsel of the A.D.L. and spy chief of its Soviet-like NKVD, which mercilessly hounds and intimidates patriots the country over. Forster collaborated with the GOLOS-BENTLEY spy ring. (See Congressional Record 6-8-50). and Headlines, April 5, 1955.

B'nai B'rith is parent of the A.D.L. and fully authorizes its operations. The activities of the latter furnish the best barometer for judging the real character of B'nai B'rith. The A.D.L. has long been the hidden power behind communism in the U.S. and the most notorious uncited Communist front in America. In sworn testimony before a House Committee, carried in the abovementioned Congressional Record, the A.D.L. is referred to as "made up largely of thieves, spies, racketeers and character assassins."

Nixon did. I never cease to wonder at the meek subservience which American Gentile rich men and corporation executives render to the Jews. It is really laughable.

None of us at COMMON SENSE are likely ever to be invited to speak before a meeting of B'nai B'rith. Still, you never can tell. Just in case they ever invite us, we have a speech ready. Rather than let it go to waste, we will just reproduce it here:

The Great Ideal: Disappearance of All Save Israel

The "Jewish World," important Jewish organ of England, published in its issue of February 9, 1883:

"The great Ideal of Judaism . . . is that the whole world shall be imbued with Jewish teachings, and that in a universal Brotherhood of Nations . . . a greater Judaism, in fact . . . all the separate races and religions shall disappear."

"Ladies and Gentlemen! Accustomed as you are to puerile flattery and lickspittle subservience, which are constantly rendered to you by leading members of the American Gentile Community, we fear that you will be neither pleased nor flattered by the remarks which we are about to deliver. We seem to recall, from our Bible-reading, that the ancient Hebrews were not entirely pleased with the sour remarks delivered by their Prophet Jeremiah, either. The ancient Hebrews, like yourselves, were a stiff-necked, vainglorious, and disobedient people. Nevertheless, you may possibly benefit more by hearing the sour and unpleasant truth now and then, instead of the empty-headed flattery to which you are accustomed.

"Frankly, it seems to me that you have fallen into the dangerous habit of accepting gasbagery as reality. For instance, there was that speech which Dick Nixon made to you in Washington. In effect, Nixon promised to bail out the Republic of Israel if he is elected. Nixon needed only his big mouth to make that promise, but it will take more than mere mouth to fulfill it. Where is the HARDWARE which Nixon is going to use to fulfill that promise? Ladies and Gentlemen, I served at sea in the Mediterranean Sea during World War II, and I know what I am talking about. In time of War, the Mediterranean Sea is a ship-killer. There are plenty of locations for enemy air and submarine bases. Where are the ships which the United States would use in a war in the Mediterranean Sea? Thanks to disarmament policies, which have been promoted by Jewish interests, the United States Merchant Marine is a decayed collection of antiquated rustbuckets, totally incapable of supporting a War in the Mediterranean Sea. The Navy has a few new Polaris subs and a couple of aircraft carriers; but the Navy also has a preponderance of overage ships. I recall a time during World War II when a battle raged at El Alemein. No junky old rustbucket ships sufficed in that case. The R.M.S. QUEEN MARY and R.M.S. QUEEN ELIZABETH were dispatched to Egypt via the Cape of Good Hope. Only their high speed of around 35 knots enabled them to arrive in time to turn the tide of battle. Nixon has made you a promise with his mouth, and you have listened with your ears, but WHERE IS THE HARDWARE?

"The fact about you Jews is that you are hopeless Romantics. You have often accused us at COMMON SENSE of being Anti-Semitic. This is in a certain sense true. Nearly all Gentiles are Anti-Semitic, just as nearly as all Jews are Anti-Gentile. Why not frankly, face the fact that we don't really like each other much? This is really only natural. Every healthy culture has a strong tendency to reject alien influences. You Jews know this

(Continued on Page 2, Column 1)

Open Letter to B'nai B'rith

(Continued from Page 1, Column 3)

well enough, which is why you are always trying to sicken and destroy the native American culture. You know that if it is healthy it will reject you, and you prefer to be accepted by a culture which is SICK, SICK, SICK, rather than to be rejected by one which is healthy and sound. But is this really a wise policy? Is it really worth anything to you to live in the midst of a sick culture? Can this sick culture protect you against foreign enemies? Nixon promises to protect Israel, but can he really do it? Where will he find the naive idealism, the pure patriotism, the healthy loyalty? You Jews have pretty well destroyed these qualities in America. You have burned down the house in which you lived.

"Let us now face the facts about the failure of Jewish World Policy. COMMON SENSE is always hearing from both Jews and Anti-Semites who believe the myth of the Jewish Superman. We ourselves do not believe in any such myth. Frankly, we think you are a bunch of jerks. You are suckers for the imagery created by your own journalistic hacks. The plain fact about you Jews is that you are not and never have been a really important factor in world history. You are merely a small nation. You think that you have special talents which will make up for your lack of numbers. There are no such talents. You are not really an important people, and you never will be. If you could accept your limitations, you would be much safer and much happier. As long as you persist in your efforts to exercise power over large Gentile populations, you will run into perpetual grief and disaster. Your childish faith in mere journalistic and literary propaganda is absurd.

"You try to tell us that you are an ETERNAL people, that you have survived the collapses of other civilizations. You might tell this to the sucker trade, but don't try to tell it to us. We have an education, and, among other things, we studied history. The ancient Hebrews were never an important people. They were merely a small nation, not very well civilized and in no way influential. Moreover, the Hebrews were latecomers to the Middle East. Other great civilizations waxed and waned hundreds of centuries before yours. Judaism reached its peak, not in Palestine but in Spain; you had no longer run than anybody else, and today you are culturally a burned-out case. What provided the seedbed of the modern Freudian-Marxian Jew? The basis of modern Jewish ideology is an ALREADY WIDESPREAD DESOLATION. The ancient Jewish religion has been around too long. The modern Jew, with his Freudian-Marxian desolation of the soul, comes only when the old Faith is dead. Don't try to tell us that you are a great people. Above all else, don't try to tell such myths to yourselves. It can only cause you misery and disaster. Better you should read a book written by one of your own, a book entitled THE DECADENCE OF JUDAISM, by Moshe Menuhin, father of the violinist Yehudi Menuhin. Menuhin was widely attacked as an "Anti-Semitic Jew." He merely told you some home truths which you jolly well need to hear.

"You have indeed achieved some great successes with Marxism. These successes, however, were due to circumstances which were entirely fortuitous and which will not recur. The Nineteenth Century Bourgeoisie of Europe and America were especially susceptible to your wiles. You created the Right-Left Polarity, and you ran both sides of the game. This is what fooled them. You provided dearly beloved mythical images for them. You gave them the image of the working man as a devil. You created the myth of proletarian revolution, and you hooked the Middle Class with that hoke. They were all too eager to believe that the industrial proletariat was up to every kind of mischief. Actually, as Oswald Spengler pointed out, all proletarian movements always do the work of the big money. For a hundred years you kept the Gentiles busy fighting an imaginary class war. There were no real issues which could be polarized between "Right" and "Left," but your hard-working quack intellectuals created phoney "issues."

MEIER STEINBRINK, while New York State Supreme Court Justice, who at the same time illegally and unethically also held the job as legal head and New York chairman of the Anti-Defamation League of B'nai B'rith, stated at the close of an A.D.L. convention held at the Hotel Waldorf-Astoria:

"Under American law an offender who has served his sentence meted out by the courts is considered as having paid for his offense. This is not our idea. ANYBODY WHO HAS OFFENDED OR HARMED THE JEWISH CAUSE IS NEVER TO BE FORGIVEN and we (The Anti-Defamation League of B'nai B'rith) SHALL EMPLOY THE MILLIONS OF DOLLARS AT OUR DISPOSAL TO SEE TO IT THAT SUCH AN ENEMY OF THE JEWISH CAUSE SHALL NEVER REGAIN HIS PREVIOUSLY HELD POSITION OR SOCIAL STANDING."

The above is the reason this anti-American, anti-Christ, and tax-free organization wields such mighty power over our press and government officials at every level.

"Finally, of course, there came a day when the Goyim began to see through your cheap tricks. You Jews are always raving about Adolf Hitler. We editors of COMMON SENSE know all about a man named Adolf. We have told you that he didn't really amount to much, and that he was not really necessary at all. Franz Von Papen was the kingmaker behind Hitler, and he could have made somebody else as easily as he made Hitler. The real brain behind modern German history was not Adolf Hitler; it was Oswald Spengler. Spengler patiently worked on the rich men of Germany. You Jews had put the rich on the "Right Wing" and the poor on the "Left Wing" in Germany. Just as you have done in America. Spengler explained patiently, day after day, in private to the rich men of Germany, that they were being had. The thing to do, Spengler said, was not to accept being relegated to a "Right Wing" position, but to abolish the whole "Right-Left" way of thinking in favor of national unity. Hitlerism was not a "Right Wing" movement; rather, it was the successor to the whole "Right-Left" way of thinking, which it abolished. Gustav Krupp Von Bohlen played a major role in converting the German rich to a more rational way of thinking.

"COMMON SENSE has tried to do the same thing for the rich Gentiles of America. Frankly, we have met with little success. The rich men of America are not as smart as the rich men of Germany. They reject real conservatism. They cling desperately to the 'Right Wing' bullcon which you Jews have invented for them. This gives you Jews the in-

WHY NATIONALISM IS SO FIERCELY DENOUNCED

"The Sentinel," Chicago, Sept. 4, 1936, reporting a finding of the Central Conference of American Rabbis:

"The most remarkable and also the most injurious consequence of the Great War has been the creation of new nationalism and the exalting of those already existing. NATIONALISM IS A DANGER FOR THE JEWISH PEOPLE. Today, as in all epochs of history, it is proved that JEWS CANNOT LIVE IN POWERFUL STATES WHERE A HIGH NATIONAL CULTURE HAS DEVELOPED."

(So, let us all sink and degenerate so that Jews can live out something different than a high culture).

side track to power in America, and your power in this country amounts to practically untrammelled dictatorship. You accuse us Anti-Semites of making trouble for you, but the plain fact is that your rule of the United States today is so absolute that nobody can make serious trouble for you except yourselves. Your failures are your own, and you are your own worst enemies.

"Although your power in the U.S.A. is virtually absolute, your power elsewhere is melting away. There are those nasty Soviet Army Marshals, for example. In the United States, we have a long-standing tradition of civilian control of the military. In Russia, indeed all over Asia, there is no such tradition. In Russia the man who has the gun also has the power, and he does not bother to humor the civilian sector. You Jews certainly must know that your game in Russia is hopelessly and forever lost. COMMON SENSE has good informants, and we know what happened. One day a group of Soviet Marshals, war heroes all, brought two divisions of troops near Moscow on pretext of holding maneuvers. Suddenly the troops swept into the City and surrounded the infamous Lubkiana Prison and Secret Police Headquarters, which were the real centers of Jewish power in Russia. Troops went inside and spattered the walls liberally with Jewish gore, and the Army took over the Secret Police. U.S. Military Intelligence has warned Congress and the President that Russia is now in the hands of the Army Marshals rather than your stupid Jewish Communist Party Hacks. The Soviet Marshals hate you American Jews, and yearn madly for the day when they can blow the whole pack of you over the moon with their 100-megaton bombs. Yet your flunkies in Washington, such as McNamara and Walt Rostow, say that they are 'not concerned' about developments in Russia. They say that we do not need 100-megaton bombs just because Russia has them; we do not need an up-to-date Navy just because Russia has one; we do not need to match Russia in the arms race.

"Knowing you stupid Yids as I do, I know what is behind this policy. You think you will topple the Soviet Marshals and recover your power in Russia by means of intellectual chicanery. I will tell you here and now that you Jews are obsolete. The 100-megaton bomb has made all of your power-grabbing techniques as obsolete as the horse and buggy. It can achieve in ONE HOUR what you have failed to achieve in a hundred years of ideological charlatanry. It can shut your big, loud lying mouths forever and forever. You Jews rely upon the manipulation of public opinion, but the 100-megaton bomb can ignore public opinion, because it can destroy "The Public." We have been told horrible stories about what the 100-megaton bomb can do if exploded. It can, for example, create a fire storm reaching from Portland, Maine to Norfolk, Virginia. It could vaporize Sidney Weinberg, Walt Rostow, Norman Mailer, and Dore Schary in the twinkling of an eye. But let us think of what the 100-megaton bomb is doing RIGHT NOW, without even being exploded. The 100-megaton bomb, just lying quietly in its launching pad, does quite a lot of things without even being exploded at all. It generates in its possessors an extremely REACTIONARY kind of politics. It is the antithesis of everything Jewish. Who needs Jews, when they have a 100-megaton bomb? Why bother with Jewish hack writers who think that they can manipulate public opinion? Why bother with "Revolutionary" Jewish ideologies. Much simpler just to settle the hash of your enemies with the bomb. The 100-megaton bomb creates the lust for world supremacy, won in a war which can be over in an hour. Then you can loot and plunder the wealth of the world; indeed, you would not need to bother; you could simply COMMAND that the wealth of the world be brought to you. That is the bug of ambition which drives Russia's rulers today. It makes Marxism obsolete. Marxism is simply a horse and buggy philosophy which is more trouble than it is worth in the time of the 100-megaton bomb.

"We are warned that the 100-megaton bomb can destroy whole nations. Indeed it can. But is this not the purpose of war, to de-

Open Letter to B'nai B'rith

(Continued from Page 2, Column 3)

stroy your enemies? The 100-megaton bomb is a perfectly logical military development. One trouble with air power in World War II was that bombs were not big enough. Whole armadas of bombers attacked enemy cities, yet the people in the bombed cities rallied themselves, put out fires, made repairs, and kept going. The purpose of air power was not achieved, because bombs were not sufficiently powerful. The 100-megaton bomb corrects all that. It is a bomb really adequate for the purpose. It will destroy the enemy, which is the aim of war.

"You Jews have one consolation. Russia will not drop a 100-megaton bomb on Israel, because it would also destroy Syria, Lebanon, Jordan, and Northern Egypt, in addition to making Israel a hole in the ground.

"Those of you who live in New York have no such consolation. Russia is preparing at breakneck speed to make an attack upon the United States. The entire system of Soviet military technology is being developed for this purpose alone. The Red Army Marshals, who rule Russia today, hate you American Jews with a cold, murderous hatred. They are planning to kill you. Yet you, sorry pack of fools and scoundrels that you are, still yammer about Marxism and Peace, and you undermine American defense policy and weaken the United States, which is the last refuge you have in an increasingly hostile world. You think that you can, by your cheapjack intellectual schemes, put another Trotsky into power in Russia and topple the Red Army Marshals who took over in the coup at the Lubkiana Prison. So you work, with all your power, to steer American policy along the lines of weakness, dishonor, and surrender.

"The fact is that you are a failure. Your policies are bankrupt. You are incompetent. You do not know how to extricate yourselves or the American people from the dangers into which you have steered this nation. Your Marxian-Freudian claptrap is obsolete. You think that you have power because you can hire and fire the stupid hack writers who fill the mass media with Jewish garbage, but you do not know the meaning of real power, of MILITARY power, which is impervious to your corrupt ideological machinations. You do not understand the racial and biological power of big nations, of great races. You are merely a small nation of egomaniacs. You are, as your own prophet Jeremiah said, a stiff-necked people, an obdurate people, a corrupt and wicked people. You are a generation of vipers. How shall you escape the judgment of Hell? I am horrified to think of what you have done to the United States. This used to be a great nation, a nation of character, integrity, and patriotism. Today it is merely the biggest and best Babylon the world ever built. The whole world hates the United States for the rottenness which you Jews have brought upon us. One hears the voice of the Archangel crying: "THEY SHALL HATE THE HARLOT, AND THEY SHALL EAT HER FLESH, AND SHALL MAKE HER DESOLATE AND NAKED, AND SHE SHALL BE BURNED UP IN FIRE, FOR STRONG IS GOD WHO WILL JUDGE HER..." Under your so-called "Leadership" the United States has rotted to the point of collapse. You have corrupted the civic conscience of the nation. You have destroyed the character of the people. You have destroyed the moral legitimacy of Society. When Society has lost its moral legitimacy, then Society becomes merely the biggest and worst criminal gang on the scene. You have secretly supported Communism around the world, while at the same time you have pretended to be Anti-Communists. The whole world hates you for your charlatanry and your multifarious frauds.

"Today the era of 'Jewish Supremacy' is at an end. What Hitler did to you will be nothing compared to what will happen to you in the next great crisis of history. The vultures are already hovering over you, and over those who join your pursuit of the Golden Calf and the Whore of Babylon. You are surprised to find that your plans for grabbing power are going wrong. You financed the Russian and Chinese Communists because you thought

that, through Marxism, you could rule the whole world. At the same time, you financed Right Wing lapdogs, who have deluded millions of sincere patriots. They think that they are fighting Communism, when they are only running around in circles and being manipulated by you Jews. We admit that there is a certain brilliance to your political quackery, but Evil always turns against itself in the end.

"Let us now consider the failure of Jewish policy in Russia, and the consequences which you will have to face as a result of it. United States Military Intelligence knows that Russia is now mainly a MILITARY nation, rather than a Communist nation. A recent issue of U. S. NEWS AND WORLD REPORT points out that Russian policy is now primarily Nationalist, and that leadership of the world Communist movement is a purely secondary consideration. This means that you Jews are no longer ruling Russia by remote control from New York, as you once did. Russia is preparing at breakneck speed to make a military attack upon the United States. Russia has taken over the Middle East and has surrounded Israel. Dick Nixon promises to defend you, but what does he have besides his big mouth to back up such promises? Thanks to Jewish flunkies in the Defense Department and the State Department, the American Military Establishment is weakened to a dangerous degree. We are approaching the point where Russia can simply TELL the United States to get out of the Mediterranean Sea, and the United States will have to get out. Israel then will be abandoned to the tender mercies of Russia and the Arab nations. You cannot blame this upon "Anti-Semites." Your Mr. Yarmolinsky and your Mr. Walt Rostow did this at YOUR bidding.

"COMMON SENSE was the first paper of any kind in the United States to tell about the failure of Jewish policy in Russia. There are disadvantages in being "first." Some people didn't believe us. U.S. Military Intelligence knew about the coup at the Lubkiana Prison as soon as it happened. COMMON SENSE knew that it was going to happen BEFORE it happened. We do not deal in stale Right-Wing myths. We deal in accurate, up-to-date information. U.S. Military Intelligence knows, and has warned Congress, that Russian policy is now a MILITARY policy rather than a Marxist policy. Russia is planning at breakneck speed to make a military attack upon the United States. Thanks to the imbecilities of Jewish policy, we have only a decaying collection of rustbucket ships and our Model-T 25-megaton bombs to oppose Russia's ultra-modern fleet and 100-megaton bombs. We have only to continue on our present course a short time longer, and we shall be blown over the moon. Your Mr. Walt Rostow says that we must plan for the end of nationhood. The flunkies whom Jewish policy has supported have sabotaged Nationalism, Patriotism, and National Defense. We shall soon be one with Nineveh and Tyre.

"COMMON SENSE is extremely pessimistic about the chances of American survival. There is no leadership. The rich Gentiles lick your Jewish boots. They are not as smart as Gustav Krupp Von Bohlen, who saw through your phoney Left-Right system. They refuse to assume leadership of the American Majority, and they go along with your techniques of minority rule. Their motto is, 'Millions for political quackery, not one cent for National survival.' There is no backing for any really sound sort of political action. The United States will not survive under the rule of any such contemptible pack of political quacks as you are.

"The net result is that the whole world has lost confidence in America. You cannot give any good warranties for the future, because you will not be here in the future. You are headed for oblivion. You have no right to ask to be taken seriously as a constructive force in the contemporary world. You have no legitimate claim upon our time and attention. The cheapjack politicians who lick your boots and take your money cannot help or protect you. They only collaborate with your own damnable corruption to bring about your ultimate destruction. You Jews are the worst Anti-Semites in the world. You are your own worst enemies. You are suicidal and you will have nothing to do with anything

We Want RARICK

CONG. JOHN R. RARICK OF LOUISIANA

This sterling patriot and fearless Christian, ranks as one of the country's most outstanding legislators. Rarick, a Democrat, in a bitterly fought primary recently triumphed in a life and death challenge to his Congressional seat. The Congressman is the arch foe of the liberals, Marxists and Zionists because he will not go along with the drive to turn America into a Black republic and make all whites second class citizens. Rarick takes an uncompromising stand against the international Marxist conspiracy, and has been "rewarded" with repeated attempts on his life, which somehow or other, never reach the pages of the prostituted press. In a vicious fight, in which the opposition resorted to every vile trick, and outspent Rarick better than two to one, Congressman Rarick emerged with better than a two to one majority. May his native state give this America First patriot a large vote of confidence on November 5th!

PETITION FOR REDRESS OF GRIEVANCES

Whereas we who have served our country long and faithfully are grieved and shocked at the manner in which the war in Vietnam is being conducted, wasting our blood and treasure without hope of victory, and

Whereas experienced professionals all agree that the control of the conduct of the war cannot be successfully concluded from Washington by civilian politicians not fitted by training or experience, and some of doubtful devotion to this country, and

Whereas many of our greatest former military leaders have publicly stated in Science & Mechanics Magazine of March 1968, that this war can be won in 6 to 8 weeks or less:

Therefore, we respectfully petition the Government of the United States, in accordance with the First Amendment of the Constitution of the United States of America for a redress of these grievances:

1. That the Congress assert its constitutional right and duty by declaring war against North Vietnam.

2. That the Chief Executive mobilize our armed forces according to recommendations of the Joint Chiefs of Staff.

3. That the military commander in the theatre of war be given the responsibility and authority for its rapid and victorious conclusion.

4. That the U.S. Government inform all nations concerned that we are at war with North Vietnam and will consider any assistance in whatever form given to that country as an act of war against the U.S.A.

5. That the Government of the United States secure the services of the 600,000 Free Chinese Forces for the prosecution of the war, as offered by Free China.

6. That P.L. 87-297, The Arms Control & Disarmament Act be instantly repealed.

7. That every person in public office or military command whose loyalty to the United States and its Constitution is by their acts shown to be diluted by other loyalties inimical thereto, such as World Government or Limited World Government be promptly cashiered or impeached as provided in the United States Constitution.

(Continued on Page 4, Column 1)

REDRESS OF GRIEVANCES

Continued from Page 3, Column 3)

8. That each and every part of this petition be enacted into law so as to close every supply line to the enemy and remove restriction on sanctuary that will unnecessarily endanger one single American life or those of our allies.

9. That the policy of the U.S. State Department relaying our strategic and tactical plans for conduct of the war be stopped immediately.

*Gen. Cates deleted No. 5 and commented concerning No. 1: "The time has come, in my opinion, to do one of two things. Either admit a defeat and execute a gradual withdrawal or declare war and prosecute it to the fullest. The latter is strongly recommended."

Inasmuch as this reflects the considered opinions of a tremendously significant body of our strong military leaders, and as it has been formally presented to the Congress, we should recognize that, under our form of government, this is as close to a military coup as we are likely to get.

This enormously impressive group of officers willingly risked censure by joining in the Petition. Similarly, another impressive group of officers, including many former "Chiefs of Staff," willingly risked censure by giving interviews to "Science & Mechanics" magazine. Now, thanks to the bravery and devotion of Congressman John R. Rarick, these two forceful groups of high ranking military officers have had their "evidence" presented to the Congress of the United States. This has been done through the only avenue remaining. Surely this reflects the final cry of desperation from our God-fearing soldier-statesmen.

These brave men—no longer fettered by administrative restriction — are crying out, "Come Awake, America! Take action! Add your voice to our petition." It cannot be possible that we would willingly continue to sacrifice our own flesh and blood in an undeclared war where victory is not permitted. Let us join them in this truly Constitutional action.

For copies of the above Petition, write . . . CONSERVATIVE VIEWPOINT, P.O. Box 17194, Washington, D.C. 20041. Or write Congressman Rarick direct and express your views ! ! !

Black America

Those attacking Christian America have produced an amazingly frank documentary TV series entitled **OF BLACK AMERICA**.

It is sponsored by Xerox, of which corporation the chairman and general counsel is Sol Myron Linowitz, listed in **Who's Who in World Jewry**.

It is circulated nationwide by Columbia Broadcasting System-TV, headed by William Paley (Palinsky), chairman, listed in **Universal Jewish Encyclopedia**.

Bob Cosby, black master of ceremonies, is the new "Stepin Fetchit" who tries to shift the early Hollywood Jews' coarse and crude ridiculing of Negroes onto Christian America. Cosby is the smoothest "front man" for the Jewish masters of today who has yet performed in an effort to whitewash the money-greedy Jewish producers of early Hollywood. If there is anyone whom the modern Jewish leaders should condemn for their harsh ridiculing of Negroes in the early movies of 50 years ago, it is the Jewish producers of those movies.

This CBS-TV series paid for by Xerox should be watched carefully and analyzed. It is an out and out attempted whitewash of degenerate Jewish influence in motion pictures — an influence which is just as arrogant and insulting to Christians today as it was a couple of generations ago.

If you want the pinnacle of such Jewish insults hurled at the Christian faith, go and see the current motion picture **The Graduate**. Anyone who can see that picture without understanding clearly the source of such anti-Christian venom, is blind indeed.

The American Jewish Year Book, 1967, (Volume 68, Page 78) is a revealing source concerning Negro antagonism toward Jews. Stokeley Carmichael's anger concerning exploitation of Negroes by Jews is provided for Jewish readers, but screened from white Christians who read only the controlled secular press.

Jews have exploited Negroes in the movies and in the ghettos in every possible way. Now the smooth operators of Jewish propaganda seek to shift the blame for the outcome onto Christian America.

The blame belongs squarely on such Jews as David Sarnoff of Radio Corporation of America (NBC-TV), William Paley (Palinsky) of CBS-TV, Sol Myron Linowitz of Xerox, and others of that ilk.

The most brazen effort, spewed forth nationwide over TV to blind and delude Christian Americans, is **OF BLACK AMERICA**. Watch each chapter, and ask yourself as you watch it, "Who's paying for this, and why?"

A national Roll of Dishonor is needed to help Christian Americans spot the despoilers of America.

The names of these three . . . Linowitz, Paley, Sarnoff, belong high on that list of Dishonor.

Watch the Ed Sullivan Show For the Tip-Off

Watch the Ed Sullivan show each Sunday night for the tip-off on what the masters of America want the people of America to believe.

The TV show commemorating the 20th anniversary of Ed Sullivan on TV was a perfect example.

Ed kissed a Negress a couple of times. Then he hugged a Jewish so-called comedian a couple of times. Then he introduced Senator Javits.

Ed Sullivan, with a name that is a perfect front for the non-Christian forces of America, introduced the Beatles to the American TV audience. Over and over again he presents border-line degeneracy to his audience.

Whatever the Jewish masters of America want done, Ed Sullivan does it for them first.

The Ed Sullivan show is a convenient preview of the forces that are destroying Christian America.

Open Letter to B'nai B'rith

(Continued from Page 3, Column 2)

really healthy or sound. Because of your collective folly and vice, the world is entering upon a period of untold crisis, of bottomless disaster, of untold suffering. We see no way to avoid this disaster. Matters have already gone too far. What happened to you under Hitler was a mere bagatelle compared to what will happen to you in the future.

"What is the real solution of the Jewish problem? Stop trying to blame your troubles on Anti-Semites. You yourselves are the chief makers of your own troubles and disasters. Now, Ladies and Gentlemen, I wish to thank you for your kind attention. Good Evening."

B'nai B'rith probably will never invite us to speak at one of their meetings, so, rather than waste this prepared speech, we have reproduced it here. We have little hope that it will do any good. Might as well talk to a fence post as to the Jews. But they can't say that we didn't try.
